

A photograph of a library aisle. The shelves are filled with books, and several light bulbs hang from the ceiling, creating a warm, ambient glow. The perspective is from the end of the aisle, looking down its length.

Wei Chee's Way of Retrieving Literature

By Wei Chee Chen | ENGL137

I retrieved all of my literature from online using my laptop

sakai

From the “Resources” folder on the ENGL137 Sakai website, I found our short readings and our screenplay for “Stranger Than Fiction.”

From our class website under the “Texts” and “Calendar” tabs, I found:

- “The Man of the Crowd” by Edgar Allan Poe
- S-Town podcast by Brian Reed
- Short films *The Eagleman Stag*, *Snooze Time*, and *Cargo*

I found the *Life is Strange* game on Steam.

amazon

I found the free eBook for *Pierre; or the Ambiguities* by Herman Melville on Amazon.

NETFLIX

I watched *The OA* and *Russian Doll* on Netflix by using my friend’s account.

I listened to *The Night Circus* through a YouTube video on 1.5x speed.
